

SCHOOL OF HEALTH SCIENCES
MASTER'S IN PUBLIC HEALTH AND CHRISTIAN SPIRITUALITY
37 Credits Online Program
AREA OF CONCENTRATION: HEALTH PROMOTION, SOCIAL JUSTICE AND CHRISTIAN SPIRITUALITY

PRESENTATION:

To deepen knowledge about the Sciences that support the understanding of research on the determinants of social production, diseases, epidemics, and the organization of health services, according to the model of care and support recommended by official bodies. The course provides an approach based on the whole person formation and Christian Principles.

TITLE AWARDED TO THE GRADUATE:

Master in Public Health and Christian Spirituality

OBJECTIVES:

The Master of Public Health program aims to prepare professionals for critical analysis and the application of strategies focused on public health promotion. The course deepens knowledge on health policies, epidemiology, healthcare system management, and social factors influencing population well-being. Additionally, it seeks to foster academic research and the development of innovative solutions for contemporary health challenges.

CORE AREAS:

CA 1: Society, Health and Sustainability

CA 2: Health, Life Cycles, Gender and Society

CA 3: Epidemiology and Control of Communicable Diseases.

ESTIMATED DURATION OF 24 MONTHS

- Stage 1 – courses / components;
- Stage 2 – for the preparation of the senior paper under direct guidance of an advisor;

The examination board will take place after the above-mentioned steps have been completed. If the student does not complete the thesis, they must enter into a contractual addendum and continue paying the course fees;

The student must make at least 03 (three) academic publications during the study period, these must be published in magazines with relevance index.

The student must complete an additional workload in participating in academic events and lifelong education and extension courses to form the academic-scientific curriculum.
